

7-Tier Candy Display Rack

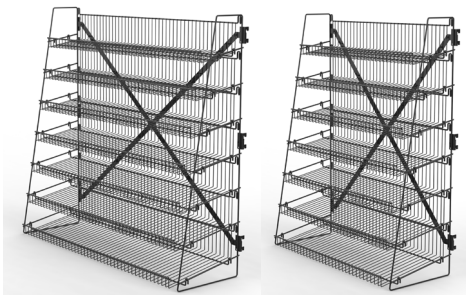

Features and Benefits

- ◆ Easy to set up
- ◆ All hardware for assembly included
- ◆ Knocks down and ships flat
- ◆ 7 tiered shelves for product displays
- ◆ Installs directly onto gondola or aisle end caps
- ◆ Lightweight and sturdy

Quick setup display for candy and snack items

A new addition to siffron's convenience store wire frame solutions, the 7-Tier Candy Display Rack is perfect for displaying impulse purchase candy and snack items. The 7-Tier Candy Display Rack is lightweight, durable, and easy to set up. It features seven tiered display shelves for promoting various point-of-purchase convenience items. The 7-Tier Candy Display Rack installs into gondola uprights or aisle end caps.

All hardware required for assembly is included. Minimal tools and mounting components (included) are required. In addition, the 7-Tier Candy Display Rack knocks down and ships flat for easy and convenient shipping and storage.
