

Adjustable Ceiling Cable

Features and Benefits

- ◆ Adjust ceiling display height quickly and easily
- ◆ Innovative cable adjuster provides tool-free height adjustment
- ◆ One end of cable forms a fixed loop; other end is open for infinite adjustment with cable adjuster
- ◆ Strong .0625" diameter cable holds up to 75 lb
- ◆ Available bulk, or polybagged as an unassembled kit
- ◆ Shown with Elite™ Square Aluminum Banner Hanging System
- ◆ Steel cables and adjusters

Adjuster allows tool-free height adjustment

Adjustable Ceiling Cable combines secure display of ceiling mounted signage with tool-free height adjustability. For your largest ceiling displays, each strong steel cable holds up to 75 pounds.

Included zinc adjuster allows unlimited height adjustment for level, ideally-placed displays.
