

# Designer Floral Bucket

## Features and Benefits

- ◆ The look of fine ceramic with the break-resistance of plastic
- ◆ High-quality finish has a realistic glazed ceramic look
- ◆ Lightweight pots are easy to move
- ◆ Available in two sizes
- ◆ Patina Green Gloss or Red Gloss finish plastic

## High-quality finish has the look of glazed ceramic

With the floral industry growing, it's important for retailers to create compelling, eye-catching displays to showcase their offerings. Designer Floral Buckets provide the look of glazed ceramic with the durability of break-resistant plastic.

Available in two sizes and colors, the buckets are perfect for displaying both cut flowers and potted plants.
