

Dexter® Knives

Features and Benefits

- ◆ Impervious seal of blade and handle provides the utmost sanitary bonding and prevents blade from pulling out
- ◆ The handles are comfortable to use and have enlarged guards for extra safety
- ◆ Bacteria and grease do not penetrate
- ◆ Stain-free, high carbon steel blade with a contoured polycarbonate handle
- ◆ NSF Certified

Bacteria and grease do not penetrate

Blades are sealed imperviously to handles for utmost sanitation and to reduce the risk of injuries. Knives are available in multiple styles and sizes for an ideal cutting solution.
