

Dust Pan

Long-handled dust pan reduces back fatigue

The handy and economical Dust Pan features a large capacity pan with no-warp edge design to hug the floor and collect more debris. A two-way yolk locks when in use and releases to carry or empty the pan.

The comfortable, lightweight plastic handle makes extended use less tedious and features a hole for convenient storage in a closet or backroom.

Features and Benefits

- ◆ Durable construction and easy handling
- ◆ Pan has sawtooth edge at the top of the opening for broom cleaning
