

Fresh-Fit® Demi Curved-Front Bowls

Solid

With Drain Holes

Features and Benefits

- ◆ Durable, heavy-weight melamine plastic bowls in an attractive round design
- ◆ Special shape of these bowls is ideal for merchandising on mezzanine shelves, case wells and island cases
- ◆ Back of the oval is squared to maximize shelf space
- ◆ Bowl interior is smooth for easy cleaning
- ◆ Available in two styles: solid or with drain holes for misted application
- ◆ Black melamine (pictured) terra cotta is available made to order, minimum quantities apply)

Create a dramatic display of fresh produce

Fresh-Fit® Demi Curved-Front Bowl's unique half-round design creates a dramatic display while maximizing shelf space. Ideal for merchandising bulk and a variety of produce selections on shelves.

These easy to clean Bowls keep your display looking pristine and make it easy to see when additional merchandise is needed to fill the section.
