5/7 Wall Rack**

- Top tray adjusts from 17" D to 26" D; fits most standard produce wall cases
- Rack accommodates either the 4" H black metal or 4" H clear plastic dividers to organize product

## Features and Benefits

- ◆ High profile racks are designed to give your product display a full look and reduce layering, inventory and shrinkage
- ◆ Ventilation holes help maximize airflow
- ◆ Each rack is formed and riveted for strength; there are no sharp edges
- ◆ Open perforated mesh areas over support bars have been covered to eliminate areas where bacteria can become trapped
- ◆ Optional clear 6" vented product stop also available
- ◆ Easy to install and easy to clean
- ◆ Perforated black aluminum racks suitable for misted areas\*
