

Fresh-Fit® Pull-Out Bulk Merchandiser

Features and Benefits

- ◆ Clear construction and pull-out drawer allow easy visibility and convenient shopping
- ◆ Attaches to most perforated shelving including Fresh-Fit® Thin Profile 16" shelves or deeper (fasteners included)
- ◆ Easy cleaning with removable internal bins
- ◆ Integrated shelf glides ensure smooth operation
- ◆ Merchandiser includes clear enclosure, pull-out drawer, two bins, and two Tongs w/ Tethers (attached to bins)
- ◆ Replacement Tong w/ Tether also sold separately
- ◆ Optional dummy riser insert for bin
- ◆ Clear plastic enclosure and bins with stainless steel handle
- ◆ Design and materials are NSF compliant and safe for direct food contact

Organize bulk items and prevent cross-contamination

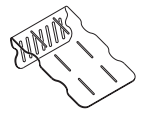

The Fresh-Fit® Pull-Out Bulk Merchandiser attaches directly to existing perforated case shelving to keep small bulk produce and bakery items organized and easily accessible to customers.

The clear unit is ideal for displaying bulk items such as leafy greens, beans, peas, mushrooms, garlic, bagels and rolls, while keeping them fresh and safe from contamination.

Integrated shelf glides ensure smooth operation, and tongs are tethered to unit for safekeeping.

Replacement Tong w/ Tether

(Optional) Dummy Riser Insert
