

# Interlock™ Cross Merchandising Rack

## Features and Benefits

- ◆ Merchandise product in front of display cases
- ◆ Low profile will not block view
- ◆ Wire product stop keeps product in place
- ◆ Kit includes: two 48" L x 14" D shelves, four 18" H posts, two Data Strip® Label Holders, two post clamps, and one wire product stop
- ◆ Black-finish steel

## Ideal for cross-merchandising in front of cases

Organize merchandise with the Interlock™ Cross-Merchandising Rack. Versatile metal rack can be used as a “knee-knocker” or cross-merchandiser and in other store floor applications. Ideal for use with deli, bakery, meat and seafood cases.

Sturdy and stable rack provides a long-lasting shelving solution. Rack comes with two shelves, four posts, two label holders, two post clamps and one wire product stop. System is easy to assemble – plastic mounting clips snap into grooves on posts. Racks with special coating for cooler applications can be made to order.

## Specifications
