Mercury™ Fast Load™ Banner Hanging System

Banner Hanger
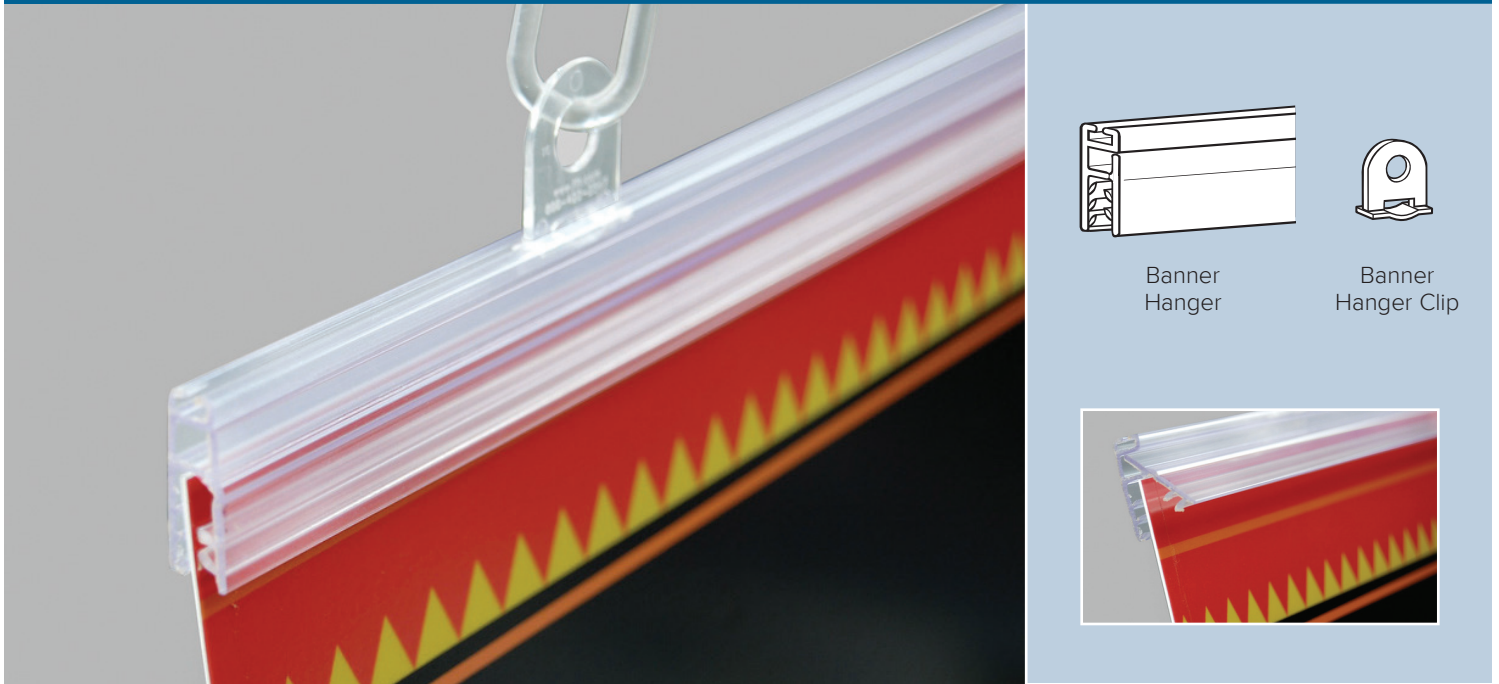

Banner Hanger Clip

Features and Benefits

◆ Fast Load™ design features a closed, hinged sign channel to make inserting and securing signage quick and simple

◆ Reliable SuperGrip® technology secures banners in reverse-angle grippers

◆ Snaps shut to hold banners securely

◆ Holds paper, vinyl, fabric and most plastic banners up to .040" thick

◆ Banner Hanger Clip slides into top track to accept banner hanging accessories

◆ Shown with Plastic Double C-Hook

◆ Can also be used as a stabilizer

◆ Clear PVC

Load banners fast and easy

The Mercury™ Fast Load™ Banner Hanging System features a unique design to ensure that the banner material will not interfere with the closing mechanisms for quick and easy signing.

Featuring SuperGrip® technology for a superior hold, the Banner Hanger holds numerous substrates up to .040" thick for a versatile hanging solution.
