

# Soup/Vegetable Inserts and Covers

## Features and Benefits

- ◆ Attractive soup and vegetable inserts have a mirror-polish finish exterior and a satin finish interior
- ◆ Inserts nest together for compact storage
- ◆ Covers available; larger sizes are hinged for easy access
- ◆ All covers feature a utensil notch
- ◆ 18/8 stainless steel

## Inserts maintain food temperature

Cover hot food with Soup/Vegetable Inserts and Covers. Inserts maintain food temperature and reduce contamination. Ideal for merchandising soups, vegetables and other hot foods. Covers ensure food remains at optimal temperature; available in multiple styles for any application.

Stainless steel construction is ideal for keeping product hot. Available in 4 quart, 7.25 quart and 11 quart capacity.
