Alarms at point of theft

Battery Powered

Product Accessibility

Easy Install

PATENTED

How it works

All-in-one security sensor with multiple applications to protect high-theft packaged goods and demo devices.

- ◆ Use the Turtle independently
Adhere to demo products or packaged goods
- ◆ Use the Turtle with accessories
Attach to strapped packages
Secure demo products via multiple sensor heads

Intelligent, optical sensor in combination with mechanical sensor ensures highest security.

Pre-Alarm: Slight sliding or lifting

Alarm: Tampering or improper removal

EAS Gate Alarm: AM or RF versions

Benefits

- ◆ Prevent unauthorized opening of packaged goods
- ◆ Protect demo products
- ◆ Use with various sizes and types of products
- ◆ Stack products without any restrictions
- ◆ No adhesive residue when removed from packaging or promotional sample
- ◆ No tangling cables or damaging wires
- ◆ Apply and remove quickly and easily
- ◆ Adapt and expand usage on-site with optional accessories
