

Visi-Bin™ Heavy-Duty

Features and Benefits

- ◆ Highlight bulk product in versatile bin with multiple mounting options: pegboard, slatwall or shelf-top
- ◆ Two dividers included to separate product; integrated slots allow for custom configuration and are easily moveable to accommodate various size products (three slots per bin)
- ◆ Mounts to pegboard or slatwall with adapter hooks (2 included); or utilize integrated mounting slots to attach to shelf-top with fasteners
- ◆ Wire Adapter Hook also available (sold separately)
- ◆ Label area allows for addition of promotional or product information
- ◆ Measures 11.875" W x 5.785" H x 10.25" D
- ◆ Crystal-clear / clear plastic or metal mounting hooks

Highlight bulk product with versatile bin

Visi-Bin™ Heavy-Duty is ideal for organizing travel size health and beauty products, craft supplies, and bulk home and hardware items throughout the store.

Bin includes two dividers and two pegboard/slatwall hooks. Mount bin to perforated shelves with fasteners (sold separately) or can be mounted to wire with adapters (sold separately). Integrated sign channel provides a platform to convey product, pricing and promotional information.
