Kinetic Mat

## Maximize sales and simplify product facing

Effortless Product Facing
Designed for regular gondola shelves, Kinetic Mat ensures products slide forward, keeping your shelves consistently front-faced and organized.
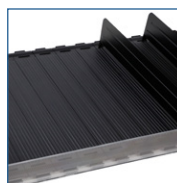

Customize Width Product Lanes
Engineered for durability, Kinetic Mat boasts dividers that lock into place at the front and back to keep products organized and merchandising smoothly.
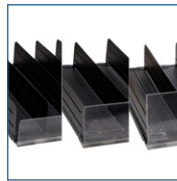

Quick, Tool-Free Installation
Save time and labor with Kinetic Mat easy carton-to-shelf design. Just drop it on the shelf—no tools needed! Enjoy the ease today!

Ultra Slick Surface
Crafted from high impact polystyrene, Kinetic Mat maintains low friction to ensure merchandise stays properly faced and accessible to customers

Multiple Fencing Options
Kinetic Mat configures to handle different product sizes and by customizing divider widths and fence height options.

Strong Shelf Support
Kinetic Mat retaining wall provides ultimate front facing support for heavier products. (requires 4 christmas tree clips 8502477405)

Automated product facing made simple with Kinetic Mat — where functionality meets proven design.
