Versatile  
and reusable  
security  
solution

# SHOGUN TAG™ DUO

Shogun Tag™ Duo  
1.26" W x 1.57" L x .38" H

Shogun Tag™ Duo streamlines product application and setup by offering two easy ways to apply the product to merchandise: by removable adhesive or elastic banding. This provides users with easy ways to setup Shogun across multiple surfaces. Shogun Tag Duo features all standard Shogun Functions, plus reusable banding allows users to reapply Shogun Tag Duo as much as needed.

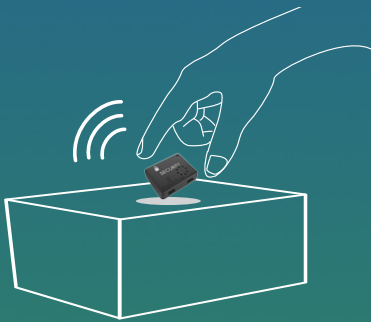

Adhesive Mount

Optional red band mount available

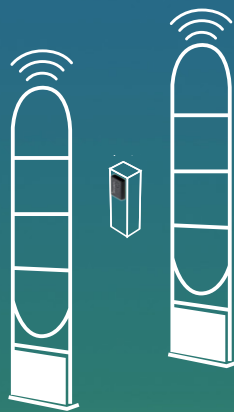

- 3-alarm protection for enhanced security
- Banding or adhesive application maintains product branding visibility
- Compact, low-profile design for better merchandising
- Versatile, low-cost solution for multiple product categories

## How it works:

### First alarm:

Manipulating or removing Shogun Tag from package triggers Shogun Tag to alarm

### Second alarm:

Armed Shogun Tag triggers EAS Systems to alarm

### Third alarm:

AM or RF antenna or deactivator signals Shogun Tag to alarm

Unrivalled  
protection for  
display and  
demo  
products

# SHOGUN TAG™ LOOP

Shogun Tag™ Loop  
1.5" W x 2.3" L x .5" H  
Cables: 6" and 12"

Secure demo and display items

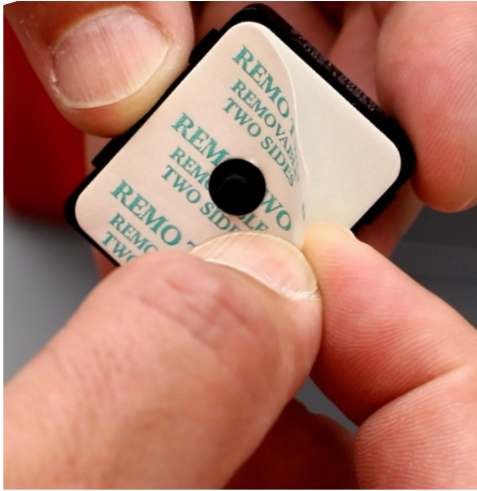

The Shogun Tag™ Loop is a compact, reusable, and highly effective security solution designed to protect valuable merchandise with cable cut resistance and immediate alarm activation upon tampering. It enhances theft prevention by triggering alarms on both the tag and EAS gates simultaneously, ensuring no security breach goes unnoticed. Its small size and lightweight design allow for easy handling by staff while maintaining strong security and optimizing store layout.

- 3-Alarm Protection:
  - Loop is cut
  - Pass through EAS gates - Gates Alarm
  - Pass through EAS gates - Tag Alarms
- Reduced footprint for planning and merchandising value
- Reusable, small & lightweight
- 6" and 12" cables available
