

Keyed Peg Hook Lock

Features and Benefits

- ◆ Use to lock all merchandise on the hook, or leave front product unlocked and shoppable for single wire hook
- ◆ To install, simply open the lock, place lock around the hook, and close the lock
- ◆ No special peg hooks required
- ◆ Available in two styles to fit metal single wire peg hooks and wire loop hooks
- ◆ Keys are sold separately
- ◆ Loop Hook style is Patented

Prevent theft of pegged merchandise

The Keyed Peg Hook Lock keeps pegged merchandise visible while preventing sweeps and maintaining security. The Lock can be used to secure all merchandise on a hook or the single wire hook can be attached behind the front product to keep product shoppable while protecting additional inventory behind it.

Store personnel can easily and quickly remove the Lock with the key and re-lock by closing the Lock over the peg and pushing the button until it snaps into the locked position.
