# KangaSafe™ Security Pouch

KangaSafe™ pouches come in a variety of sizes

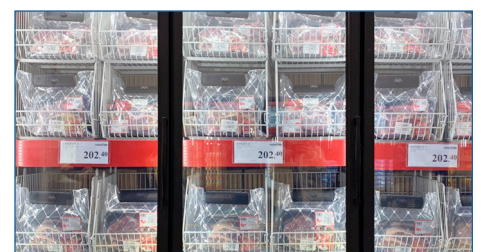

## Product Features

KangaSafe™ Security Pouches are designed to offer the utmost protection for valuable food and perishable items, such as meats, seafood and cheeses. With an unwavering commitment to safety, KangaSafe™ ensures that the security pouches are not only durable and reliable but also food safe. This means that you can confidently protect food products without worrying about any potential contamination risks.

Moreover, KangaSafe™ takes it a step further by offering low-temperature tags that are specifically engineered for freezer use. These extraordinary tags can withstand freezing temperatures as low as -20° C without compromising their functionality or durability. So whether you need to safely store perishable goods or protect sensitive items in extreme cold environments, trust KangaSafe's exceptional quality and innovation to safeguard effectively and efficiently.

KangaSafe™ Lock

Pouches are food-safe and low temperature tags are freezer-safe (up to -20°C)

- ◆ Tamper-proof pouch
- ◆ Reduce theft
- ◆ Easy to apply
- ◆ Variety of sizes
- ◆ Food safe – pouches are composed of PT and PET material
