## Product Features

Safeguard various types of merchandise with the Secure Case. Secure Case provides maximum security for items of high value or high shrinkage, and is equipped with locking and keying mechanisms to ensure optimum security. One or two shelf security brackets in the Secure Case allow secure storage without compromising convenience. They provide unsurpassed durability and protection against unauthorized access.

Additionally, the mounting hardware included in the Secure Case allows for seamless integration into various retail settings, such as electronics, sporting goods or even exhibition booths. Ensuring maximum visibility while maintaining a strong defense against theft or tampering attempts, the Secure Case is the solution for you.
