# P.O.P. Security™ Invisi-Shield® System

## Product Features

Protect high-loss product with P.O.P. Security™ Invisi-Shield® System. Sliding panels prevent “shelf sweeping” theft, while providing easy product access for legitimate customers. Crystal-clear “invisible” panels provide an unobstructed view of consumer product.

- ◆ System secures high-value, high-theft product, while allowing customer access to product for purchase
- ◆ Designed to install easily with minimal to no impact on existing planogram
- ◆ Panels available for narrow, wide, or tall product; feature contoured edges for comfortable shopping
- ◆ Optional accessories such as end panels, locking panel and security bar cover provide additional security by limiting access to product
- ◆ High-impact clear plastic panels are nearly unbreakable, even in high-traffic environments
- ◆ Additional languages can be imprinted on panels
