## Fastback® Hooks

- The Fastback® display hook has been an asset to thousands of retailers for over twenty-five years. The labor saving features and durability make the Fastback® hook the best choice for single arm display hooks.
- Fastbacks® are the easiest way to peg merchandise, saving you time and money.
- Fastbacks® work directly under shelves and existing merchandise.
- Fastbacks® are the strongest plastic back hooks available, and do not have to be taken apart.
- Fastbacks® are easy to install. First lay out the Fastback® backs. Match the display planogram, then push in the Fastback® hooks.
- All Fastback® hooks come with a safety ball tip. Special tips available, call for more information. Design of loop hooks stabilizes unbalanced product and has a safety end.
- Special bagging and combination packaging are available for all hooks and products. Call for a quotation.
- Some sizes listed below, as well as other available sizes that are not listed here, may require a minimum order quantity. Please call for details.

## All-Wire Scanning Loop Hooks

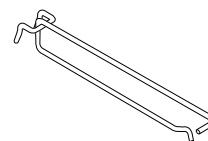

- One-piece design ideal for heavy product displays
- Stabilizes unbalanced products
- Zinc plated for long life
- Works in .125" and .25 perforated paneling and slatwall
- Plate size: 2.125" W x 1.375" H

Item No.	Ref. No.	Dimensions	Finish	Pack
7115551828	R31-6-P2	6" L x .149" Dia.	Zinc	100
7118453962	R31-8-P2	8" L x .149" Dia.	Zinc	100

## All-Wire Fastrack® Scan Hooks

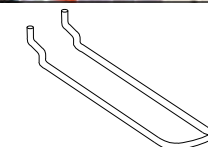

- Works on endcap merchandisers including siffron's Fastracks®, grids and standard crossbars.
- Unique design prevents accidental dislodging.
- Sturdy all-in-one design.
- Upturned hook end.
- Medium duty .186 diameter wire with .149 diameter back.
- Label holders sold separately.

Item No.	Ref. No.	Dimensions	Finish	Pack
7149965782	R46-4-186	4" L x .186" Dia.	Galv.	100

## All-Wire Loop Hooks

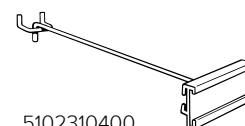

- Safety end.
- Stabilizes unbalanced products.
- Square tips available, call for more information.
- Standard duty .149 diameter.
- Custom powder coated colors are also available.
- May require a minimum order quantity. Please call for details.

Item No.	Ref. No.	Dimensions	Finish	Pack
7124133633	R31-2	2" L x .149" Dia.	Galv.	500

## Peg Arm Sign System

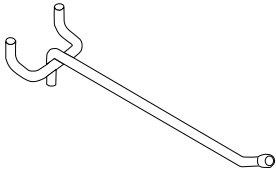

- Display pricing and signage from pegboard
- Available in kits or as individual components
- C-channel Kit contains 1.25" H x 3" L c-channel and 12" L extension arm for pegboard
- C-channel slides onto scan plate of peg arm
- Natural polypropylene c-channel/metal peg arm

# SECURITY HOOKS

Prevent product loss at the initial point of theft with siffron's Security Hooks!

Go to Loss  
Prevention on  
pages 405-440

SONIQ™ ALARM HOOK

STOP LOCK

SPIRAL ANTI-SWEEP HOOK

SONR™ HOOK

LOCKOUT SPIRAL ANTI-SWEEP HOOK

ANTI-SWEEP SCAN HOOK

FIRST-LINE™ SECURITY LOCK

FIRST-LINE™ SECURITY SWING

## • SONIQ™ Alarm Hook

Open system design that allows customers to remove and replace product without assistance. SONIQ 2™ features switchable modes so retailers can choose between an alarming function and a "beep only" mode.

## • Stop Locks

Secure on your wire display hook and save money by deterring theft. Stop Lock for loop hook is usable on existing loop hooks up to .250" diameter wire.

## • Spiral Anti-Sweep Hook

A versatile loss prevention solution that can accommodate multiple products. When the knob is turned, an audible clicking sound alerts sales associates that someone is shopping the product and the product is being dispensed.

## • SONR™ Hook

Open system that guards against product sweep and sends a signal to the SONR™ Echo Box, which can be installed up to 25' away.

## • Lockout Spiral Anti-Sweep Hook

Prevents offenders from sweeping all displayed items off of the hook. Each knob turn draws an item forward, releasing one product at a time, while an audible clicking noise alerts associates to activity in the area.

## • Anti-Sweep Hooks

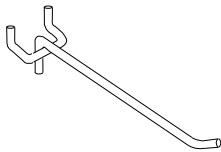

Deters product sweep by making product removal more deliberate. Available in scanning and single stem versions.

## • Lock Hooks

All-in-one locking hook solution for locking pegged products. Available in scanning versions of wire, and butterfly hooks, as well as a single stem version.

## • Swing Lock

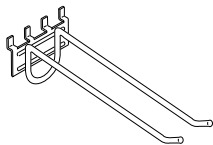

Works with your existing scanning hooks. Locks around both wires with metal arm to protect products.

Extra Heavy-Duty Hooks

- High strength .312 diameter wire for heavy products.
- Zinc plated for long life.
- Works in .25" perforated paneling and slatwall.

Item No.	Ref. No.	Dimensions	Finish	Pack

Slotted Bracket

Clamp Bracket

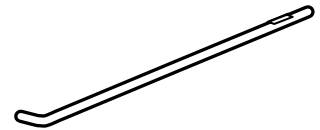

Mega Bar

Get more out of your display space with the new Mega Bar Peg Display System. The Mega Bar is a strong, durable display system that allows for cleaner, more effective product facings while being adaptable to various display applications. The Mega Bar will handle heavy loads as it utilizes the strength of the gondola uprights. Its steel tube construction increases weight bearing capacity as well, which increases product pack-out!

## Metal Stampings

**7158051985**

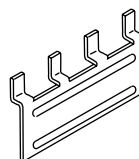

- Fits on any 1" tubing.

**7150392483**

- Hangs on 2" and 3" grids.
- Notched to fit on cross wires.

**7155743693**

- Fits .25" peg paneling and slatwall.

**7150096430**

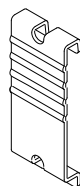

- Fits .25" peg paneling and slatwall.

**7158459839**

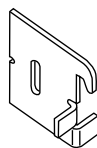

- Grips onto 1" bars and wire with notched back.

**7001422542**

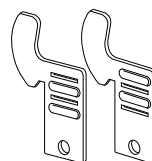

- Pressure fits onto .206" diameter wire.

**7150834452**

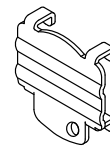

- Fits in 3" slatwall only.
- Straight entry hooks.

**8307330340**

- Universal mount for any slotted upright (zinc plated).
- Patented stabilizing fins.

**7119251238**

- Ideal for flat steel crossbars.
- Works in most slotted uprights.

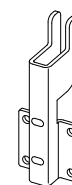

PATENTED

**7152502691**

- Fits .25" perforated board only.
- Straight entry hooks.

## Plastic Backs

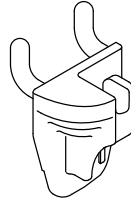

**7155972891**

- For .186" diameter scanning wire, beige plastic.
- Fits .25" peg paneling and slatwall.

**7156122490**

- For .212" diameter scanning wire, gray plastic.
- Fits .25" peg paneling and slatwall.

**7151256902**

- For .250" diameter scanning wire, white plastic.
- Fits .25" peg paneling and slatwall.

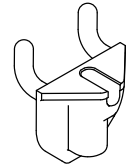

**7152515543**

- For .149" diameter wire, white plastic.
- Fits .25" and .125" peg paneling and corrugated.

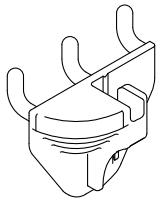

**7156984706**

- For .186" diameter wire, beige plastic.
- Fits .25" peg paneling and slatwall.

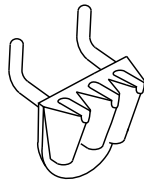

**7156027916**

- For .224" diameter wire, white plastic.
- Fits .25" peg paneling and slatwall.

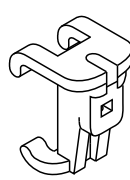

**7159513242**

- For .250" diameter scanning wire, white plastic.
- Fits .25" peg paneling and slatwall.

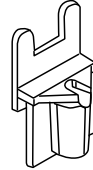

**7150333325**

- For .149" diameter wire, white plastic.
- Three pockets designed to hold loop wires with a scan arm.
- Fits .25" peg paneling and slatwall.

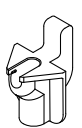

**7157662183**

- For .149" diameter wire, white plastic.
- Works on crossbars and 1" spaced wire grids and end-cap merchandisers including Fastrack® grid panels.

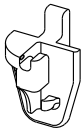

**7154815412**

- For .149" diameter wire, white plastic.
- Fits .125" corrugated, metal, and plastic paneling.
