PATENTED

Product Features

Protect high-loss product with P.O.P. Security™ Invisi-Shield® System. Sliding panels prevent "shelf sweeping" theft, while providing easy product access for legitimate customers. Crystal-clear "invisible" panels provide an unobstructed view of consumer product.
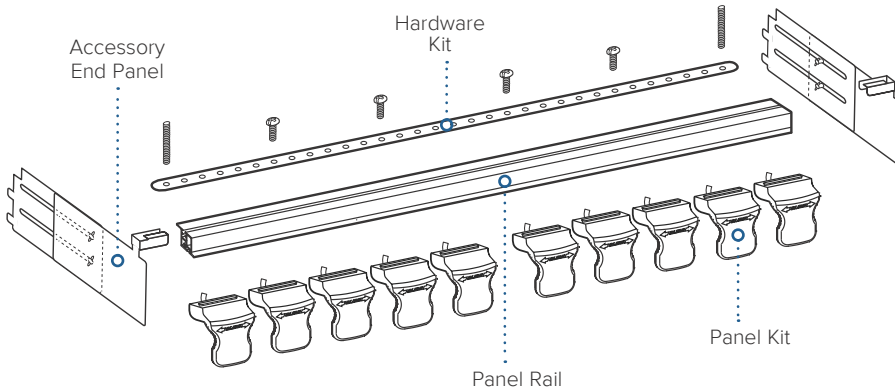

◆ System secures high-value, high-theft product, while allowing customer access to product for purchase

◆ Designed to install easily with minimal to no impact on existing planogram

◆ Panels available for narrow, wide, or tall product; feature contoured edges for comfortable shopping

◆ Optional accessories such as end panels, locking panel and security bar cover provide additional security by limiting access to product

◆ High-impact clear plastic panels are nearly unbreakable, even in high-traffic environments

◆ Additional languages can be imprinted on panels

Reduce shrink up to 40%*
