Big Bunch Cutter

Big Bunch Cutter will save time and achieve consistency of stem length

Features and Benefits

- Time-saving cutter features a curved laser-edged steel blade, cutting floral stems with minimal effort
- Leverage handle has comfort grip and safety latch
- Black cutter with stainless blade

Save time cutting large bunches of flowers

The Big Bunch Cutter is a valuable, time-saving tool that no florist or floral department should be without. It allows large batches of flowers to be cut at one time, which saves time and allows for consistency of stem length.

Durable metal construction with laser-edge stainless blade ensures stability and thorough and even cuts.
