HIVE Security Bag

Product Features

Safeguard a multitude of various types of merchandise with HIVE security bags. Easy to setup and apply, HIVE provides reusable protection against theft of valuable store merchandise, such as electronics, tools, seafood, or age-restricted items like alcohol, tobacco, vapes, and smoking accessories. Place the merchandise into the conductive, tamper-proof pouch, seal, and done! If pouches are cut or damaged before being unlocked by store personnel, or if the pouches pass through EAS gate, the tags will alarm.

No clunky safers or spider cables are necessary. HIVE security bags work with a variety of sizes and shapes of merchandise. HIVE is also food safe and works in freezers and cold storage applications.

- ◆ Tamper-proof bag
- ◆ Reduce theft
- ◆ Easy to apply
- ◆ Variety of sizes
- ◆ Food safe – pouches are composed of PT and PET material
- ◆ Reusable – over 1000 pouch-to-tag connections
- ◆ Custom sizes available fast with minimum order quantities.

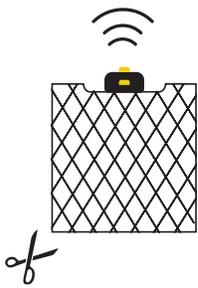

HIVE Quick Latch

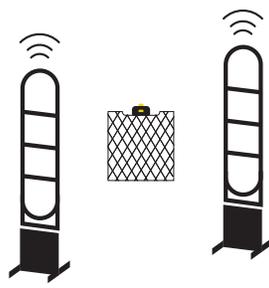

HIVE Security Bags come in a variety of sizes

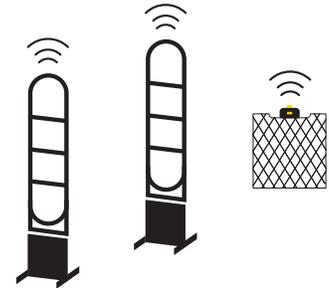

Improve store security

1st alarm: Manipulating or cutting HIVE bag triggers alarm

2nd alarm: Armed HIVE Quick Latch triggers EAS Systems to alarm

3rd alarm: AM or RF antenna or deactivator signals HIVE to alarm

HIVE Quick Latch requires magnetic detachers to disarm.

HIVE Quick Latch stays attached to bags for convenience and reuse.

HIVE Quick Latches have hanging options.
