

SONR Alarming Breakaway Lane Security Chain

Features

- ◆ SONR™ Family solution
- ◆ Breakaway alarming device
- ◆ Alarms when security lock has been separated
- ◆ Auto shut-off in 5 minutes
- ◆ Safety First - Alarm chain blocks traffic in checkout or shopping aisles but easily detaches for emergencies
- ◆ Customizable chain and signage length

Introducing the SONR™ Alarming Breakaway Lane Security Chain

Ensure unparalleled security with the innovative Alarming Breakaway Lane Security Chain, featuring SONR technology. This revolutionary device integrates seamlessly into your security setup.

- **Breakaway Alarming Device:** Effortlessly installs in-line with your security chain, equipped with 2 carabiners, 2 spring clips or optional magnets.
- **Enhanced Security:** Automatically triggers an alarm notification if unauthorized access is detected.
- **Versatile:** Designed as a removable solution, catering to your sales needs while delivering reliable performance.
- **Audible Alert System:** Provides local audible notifications, keeping you informed of security breaches within your vicinity.
- **Extended Range Capability:** With the optional siffron Echo Box, extends alarm notifications up to 200 feet and beyond, ensuring comprehensive coverage of your premises.

Works with SONR Echo Box
