Heavy-Duty Spiral
Anti-Sweep Hook

a durable anti-sweep hook to
protect heavy merchandise

Introducing the solution: the Heavy-Duty Spiral Anti-Sweep Hook. Heavy-Duty Spiral Anti-Sweep Hook protects and supports heavier loads of merchandise (up to 16 lbs.)! The spiral hook design effectively prevents offenders from sweeping all displayed SKUs off of the hook. Each knob turn draws product forward, releasing one SKU at a time while an audible clicking noise alerts associates to activity in the area.

The Heavy-Duty Spiral Anti-Sweep Hook™ attaches securely to pegboard backing, with additional mounting solutions available. The Heavy-Duty Spiral Anti-Sweep Hook™ is ideal for a wide range of products, including large batteries, hand tools, fixtures, and more.
