Secure Case™ 64" H

## Product Features

Safeguard various types of merchandise with the Secure Case™. Secure Case provides maximum security for items of high value or high shrinkage, and is equipped with locking and keying mechanisms to ensure optimum security. One or two shelf security brackets in the Secure Case allow secure storage without compromising convenience.

Secure Case is compatible with a variety of siffon merchandising systems including Kwik Set dividers and pushers, magnetic dividers, peg hooks and more.

With included mounting hardware, the Secure Case easily fits into retail environments such as electronics, sporting goods, and exhibit booths, offering both maximum visibility and strong anti-theft protection.
