

# Locking Security Bar

## Features and Benefits

- ◆ Protects an entire row of facings
- ◆ Easy to setup and install
- ◆ Includes (12) display hooks
- ◆ Locks into gondola uprights
- ◆ Two versions available — padlock or keyed-lock style

## Stop Sweep and Protect an Entire Row of Facings

Protect merchandise and stop product sweep. Product sweep is one of the most common types of in-store theft. The Locking Security Bar provides managed-access protection from sweep for an entire row of pegged merchandise facings.

Designed to install and secure to standard gondola uprights, the Locking Security Bar is easy to setup and install (one store associate can complete). The Locking Security Bar is perfect for protecting a wide variety of high-theft items; including tools, electronics, souvenirs, ink cartridges, and more!

Available in two versions: padlock style and keyed-lock style. Each Locking Security Bar includes (12) display hooks to planogram and merchandise the display area within the locking bar.

Padlock not included
