

Bevy-Glide Clear Gravity Glide

Maximize sales and enhance beverage merchandising

Effortless Product Facing

Designed for angled shelves, Bevy-Glide™ Clear ensures bottles and cans glide forward, keeping your shelves consistently front-faced and organized.

Eco-Friendly and Recyclable

Bevy-Glide™ Clear integrates reprocessed/ recycled polypropylene providing strength and durability while supporting sustainability.

Enhanced Brand Visibility

Showcase your brands and flavors to shoppers with custom branding onto Bevy-Glide Clear's front ring.

Adjustable Fit

Bevy-Glide™ Clear can be customized to fit different cold vault and cooler shelf sizes and configurations by utilizing its breakaway end sections and interconnecting lanes.

Durable and Reliable Design

Engineered for durability, Bevy-Glide™ Clear boasts a robust front ring and a high-wall, slip-enhanced gravity glide that keeps bottles and cans facing forward, organized, and upright.

Quick, Tool-Free Installation

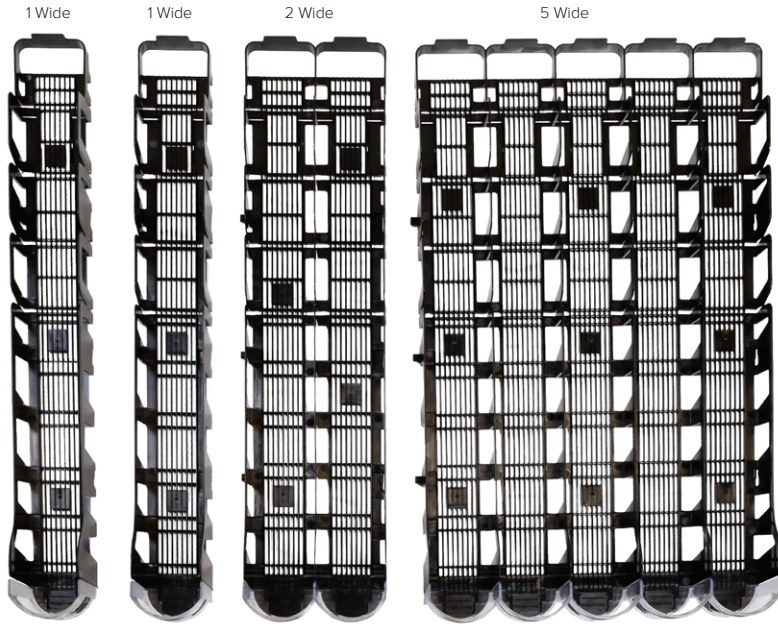

Save time and labor with Bevy-Glide Clear's easy carton-to-shelf design. Just drop it on the shelf—no tools needed! Enjoy the ease today!

Beverage merchandising made simple with Bevy-Glide™ Clear — where functionality meets proven design.
