

# Frozen Pizza Rack

## Features and Benefits

- ◆ Customizable – retailers can install shelf dividers all along the Pizza Rack
- ◆ Keep frozen pizza or other round shaped goods accessible
- ◆ Improve display presentation
- ◆ Reduce lost product to spoilage
- ◆ Kit includes display platform, 4 wire dividers, 3 graphic blade signs.

## Organize Freezers with Ease Using the Frozen Pizza Rack

Designed to accommodate the size and shape of either boxed or frozen pizzas, The Frozen Pizza Rack is a simple plastic platform comprised of 3 interlocking trays that installs into existing commercial freezers.

The Frozen Pizza Rack platform also features an integrated front edge to ensure merchandise is held in place when shopped, as well as an additional area to display graphic decals.

### Designed For Easy Adjustment and Shopability

Wire Shelf Dividers - Each interlocking tray features mounting holes for wire dividers to be installed in order to separate different merchandise options, such as toppings or brands.

### Graphic Blade Signs

Attaches with Super Grip® Sign Holders (already adhered to sign) to Wire Dividers for easy product labeling and shopping ease (3 graphic blade signs included per platform).
