

MultiRack™

Order the MultiRack tray system to provide front facing for a variety of products on virtually any shelf. The modular pusher tray adjusts for depth and width so there is no need to measure shelves. The pusher tray can be used individually or in a series. Just clip the tray to the shelf, adjust to the package width, extend the rear tracks, and start stocking.

Pusher trays are packed (6) per carton. Each tray is one product facing. Includes removeable attachment clips for easy installation.

Include graphics to complete the branded shelf pusher.

MultiRack™

Item No.	Product	Dimensions	Color	Pack
 4854093354	MultiRack	16" - 22" D x 6" - 9" W	Black	6
