## SaladRack™ Gen4 Shelf

Order the shelf trays and the back-channel kit together to create a pull-out pusher system on your existing shelves. Shelf trays are packed (12) per carton. Each tray is one product facing. Back-channels are packed (5) channels per carton. Each shelf needs (1) channel so (1) carton will set up to 5 shelves.

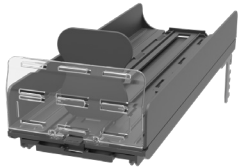

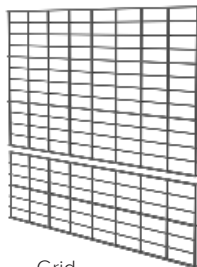

Shelf Tray   Back Channel

SaladRack™ Gen4 Grid

Order the grid trays and the grid kit together to create a pull-out pusher system. Grid trays are packed (6) per carton. Each tray is one product facing. Grids are packed (2) per carton with hardware. Standard duty grids are used for 13"-17" trays and Heavy Duty (HD) grids are used for 19"-21" trays. Several grid dimensions are offered to fit any refrigerated case. See ordering matrix or contact siffron for a recommendation.

Well Divider System

Order the Well Divider Kit to create defined rows in the well. The kit contains (12) "L" shaped dividers and (4) 24" long front rails. The rail attaches to the front of the wire base in the well. The dividers slide firmly into the front rail to hold the dividers into place. Dividers can be placed anywhere along the rail. Divider dimensions are 27" D x 3.75" H x 3.75"
