

Snack Can Pusher

Maximize sales and enhance shelf display

Enhance Product Presentation

Showcase items clearly for maximum shopper impact and help customers quickly find what they need.

Boost Sales Performance

Drive revenue growth by **5-8%**, with improved product visibility and accessibility, while reducing labor and stocking time.

Ensure Planogram Integrity

Keep SKUs organized in defined lanes for a clean, compliant presentation.

Space Efficient Design

A low profile and pass-through fence allow for tight shelf space and maximum utilization.

Universal Shelf Fit

Adjustable depths to fit most shelves.

- Short 12" – 16" D
- Standard 16" – 25" D

Flexible Display Solutions

Seamlessly connect multiple units to fit any shelf configuration and maintain planogram integrity. The system prevents lost facings while still fitting 15 Pringle-size cans on a 4' shelf.
