- ◆ Fits onto materials up to .375" thick
- ◆ Holds 1.25" H x 2.5" L signs
- ◆ Use with floral buckets and vases
- ◆ Clear polycarbonate

Covers and protects signs while on display

Keep your signage secure, visible, and perfectly positioned with this versatile covered-face, side-load sign holder. The smooth swivel feature offers limitless attachment points and multiple viewing angles, making it easy to display pricing or product details exactly where shoppers will see them. A clear acrylic window ensures your message remains crisp and unobstructed, while the specially engineered clip minimizes stress on consumer goods for safe, reliable placement.

Designed to fit material up to 0.375" thick and sized to hold 1.25" H x 2.5" L signs, it's an ideal solution for floral buckets, vases, and a wide range of merchandising setups.
