

Installation Pole

WARNING:
Maximum recommended weight for all ceiling banner systems and accessories is 3 lb per ceiling attachment.

Features and Benefits

- ◆ Hang ceiling displays and accessories quickly and easily
- ◆ Telescopic aluminum poles extend to 10' or 18'
- ◆ Ceiling clips and hooks compatible with siffron Installation Pole:

1. Eagle™ Ceiling Clip

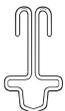

2. Sure-Twist® Ceiling Clip

3. Sure-Twist® Ceiling Loop

4. Sure-Twist® Ceiling Hook

5. Warehouse Ceiling Hook for Split Beam

6. Warehouse Ceiling Hook for Solid Beam

Eliminate the use of ladders

Installation Pole is an ideal solution for hanging ceiling banners quickly and safely. Eliminate the use of ladders and improves in-store employee safety.

Compatible with many siffron ceiling clips and hooks, banners can be raised from the floor to the ceiling quickly, saving time and labor costs.
