

Banana Spinner Display

Designed to Drive Purchases From Every Angle

High-Capacity Banana Display

Holds 24+ bunches to create a full, eye-catching presentation that drives impulse sales anywhere in-store.

Versatile Cross-Merchandising

Includes a bottom wire basket with a soft foam pad—ideal for loose fruit or pairing with complementary items.

Natural Hanging Design Reduces Shrink

Hook rings suspend bananas by the crown for better airflow, minimizing bruising and extending freshness.

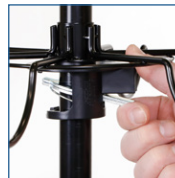

Easy Setup, Lower Freight Costs

Ships knock-down (KD) for efficiency and assembles quickly with a simplified, user-friendly design.

360° Shoppability

Smooth-spinning rotors allow customers to shop from all sides, improving access and engagement.

Durable, Adjustable, and Customizable

Features a patent-pending rotor stop for secure positioning, with standard black finish and optional custom colors.
