New Design - Requires No Tools!

Showcase special promotional items in an eye-catching way with new wire Economy Dump Bins from siffron. Perfect for in-aisle promotions for seasonal or special retail items, the Economy Dump Bins feature an adjustable bottom to accommodate different size merchandise.

Economy Dump Bins require no tools to assemble. The bins fold out into a predefined shape and secure into place via the bin bottom (at adjustable heights) and support bar. When not in use, the Economy Dump Bins fold up to conserve space during storage. The wire frame design provides a lightweight and sturdy display bin to organize merchandise for impulse purchases. Available in multiple sizes and shapes. All Wire Counter Display racks are available in black finish. Custom colors are also available by request.
