- ◆ Clear display helps keep product visible
- ◆ Simple design
- ◆ Ideal for bulk items
- ◆ Installs on to Pegboard via mounting arm or Display Stanchions

Keep promotional merchandise visible and accessible

Clear Bowl Displays from siffron works for promoting a multitude of different products. Most buying decisions are made at point of sale. When clearly displayed, product has a greater chance of being selected. The attractive, transparent design of Clear Bowl Displays showcases impulse or cross promotional products rather than obscures them. It also easily alerts retailers when display bowls need to be restocked.

Use with Dividers

Clear Bowl Displays are now available with dividers to organize the bowls for multi-purpose use. Dividers come in half or quarter inserts.
