1607 Clip-On Sign Protector

Add product signage and pricing to hard-to-sign fixtures using FFR-DSI's 1607 Clip-On Sign Protector. The sleeve covers and protects single- or double-sided signs while the universal knuckle rotates to provide an optimal viewing angle for the customer. Available in multiple sign sizes. Replace and reposition signs with this simple and easy sign solution.

Features and Benefits

- Sleeve covers and protects signs while on display.
- Universal knuckle holds signs at almost any angle.
- Clear sleeve allows for single- or double-sided signing.
- Clip is lined with anti-slip coating for secure holding power.
- Ideal, yet stylish solution for hard-to-sign fixtures.

See our complete line of Sign & Literature Holders, as well as thousands of other merchandising systems and accessories, in the FFR-DSI YELLOW PAGESSM Catalogs.
