# Adjustable Ceiling Cable

FFR-DSI's Adjustable Ceiling Cable combines secure display of ceiling-mounted signage with tool-free height adjustability. Each strong steel cable holds up to 75 lb, for your largest ceiling displays. Included zinc adjuster allows unlimited height adjustment for level, ideally-placed displays.

## Features and Benefits

- Adjuster allows quick and easy tool-free height adjustment.
- Super-strong cable holds up to 75 lb.
- Available in three lengths, 5', 10' or 15', to accommodate most in-store signage needs.
- Contains a cable with one crimped loop end and an open end, as well as an adjuster assembly.
- Steel cord and zinc adjuster provide durability and strength.

*See our complete line of Ceiling Display Systems as well as thousands of other merchandising systems and accessories, in the FFR-DSI YELLOW PAGES<sup>SM</sup> Catalogs.*
