Aluminum Bun Pans

Aluminum Bun Pans from FFR-DSI are the ideal solution to preparing and presenting baked goods. Available in perforated or solid styles, these aluminum pans ensure even baking, from the middle to the edges for quality baked goods. Additional pan styles and accessories are also available, contact FFR-DSI for details.

Features and Benefits

- Sheet pans are the perfect way to prepare and present your fine baked goods.
- Aluminum pans ensure even baking from middle to edges.
- Available in solid or perforated styles for added versatility.
