Black Six-Vase Flower Cart

FFR-DSI's Black Six-Vase Flower Cart is great to cross merchandise and sell fresh bouquets in any department of the store. The cart is mounted on casters that allow for easy transport from department to department. Use integrated sign holder to promote specials or sale prices. Vases are angled forward slightly to display the full view of the blooms.

Features and Benefits

- Sell fresh bouquets in any department of the store.
- Casters allow for mobility.
- Two locking casters keep display in place.
- Sign Holder with stem holds paper sign.
- Buckets and sign holder are included.
