Countertop Sampling Unit

Add FFR-DSI's sampling stations almost anywhere in store with the Countertop Sampling Unit. Three-piece sampling unit includes dome, tray and black or clear chill tray. Integrated locking feature keeps dome secure. Available with a self-close or manual-close door. Unbreakable polycarbonate construction provides a lasting sampling solution.

Features and Benefits

- Integrated locking feature keeps dome secure.
- Self-close and manual-close styles.
- Made of unbreakable polycarbonate.
- Two-piece dry units can be made to order.
