Gondola Upright SuperGrip® Sign Holder

Transform the edge of nearly any gondola upright into a key message delivery point with the Gondola Upright SuperGrip® Sign Holder from FFR-DSI. Clean, simple solution hooks into most gondola uprights and holds signage with FFR-DSI's SuperGrip® technology. Ideal for high traffic areas!

Features and Benefits

- Aisle signage drives traffic and captures customer attention.
- Use alone or in combination for longer blade signs.
- Available with or without hinge; integrated hinge flexes when bumped to withstand stocking and customer interaction.
- SuperGrip® technology uses reverse-angle grippers to “clamp” onto signage for a secure fit.
- Hooks into most standard gondola upright slots 3/8" wide x 3/4" tall, 1" on center.
- Two capacities to hold material up to .100", or .100"-.250" thick.

See our complete line of Sign & Literature Holders, as well as thousands of other retail solutions, in the FFR-DSI Total Retail Solutions® Catalog.
