# Hanging Plant Tree

The Hanging Plant Tree from FFR-DSI attractively displays sixteen hanging baskets within reach of customers for self-service. Optional casters make it easy to move the display to any area of the store. Made of heavy gauge welded metal.

## Features and Benefits

- Ideal way to merchandise hanging plants.
- Holds sixteen hanging plant baskets.
- Heavy duty powder coated steel for stability and durability.
- Plant Tree makes it easy for shoppers to reach plants vs. ceiling units.
- Arms are fixed and stay in place.
