Heavy-Duty Underwater Stem Cutter

The Heavy-Duty Underwater Stem Cutter from FFR-DSI is designed to accommodate the largest grower bunches and multiple standard bunches. Large handle reduces the force needed to cut stems. 5" diameter funnel makes it easier, safer and quicker to place stems into the cutter. Cutter includes two extra blades.

Floral ■ Heavy-Duty Underwater Stem Cutter

Features and Benefits

- Accommodates large bunches and multiple standard bunches.
- Funnel increases usability.
- Includes two extra blades.
- Replacement blades are available (sold in pack of 6).
