Interlock™ Cross-Merchandising Rack

Organize, store and merchandise with the Interlock™ Cross-Merchandising Rack. Versatile metal rack can be used as a “knee-knocker” or cross-merchandise and in other store floor applications. Ideal for use with deli, bakery, meat and seafood cases. Sturdy and stable rack provides a long-lasting shelving solution. Rack comes with two shelves, four posts, two label holders, two post clamps and one wire product stop. System is easy to assemble – plastic mounting clips snap into grooves on posts. Racks with special coating for cooler applications can be made to order.

Features and Benefits

- Ideal for cross-merchandising in front of cases.
- Low profile rack will not block view.
- Sturdy metal construction provides a lasting solution.
- Integrated label holders accommodate pricing or product information.
- Easy, tool-free assembly.
- Shelves are 14" D x 48" L.
- Posts are 18" H.
- Racks for cooler applications can be made to order.
- Black powder-coated metal.
