Inventory Control Tube

Keep product visible and accessible to customers with FFR-DSI's economical solution to inventory control. The Inventory Control Tube attaches quickly and easily to most standard hooks without removing merchandise and accommodates a variety of hook lengths.

Features and Benefits

- Keeps product forward on hook so displays always look full.
- Available in 2" or 3" lengths; 1/2" diameter.
- Use one or multiple tubes for various hook lengths.
- Installs without removing merchandise.
- Works with most standard hooks.
