Inventory Blockers

Reduce inventory on shelves with FFR-DSI's Inventory Blockers. Blockers keep product within easy reach for customers and helps reduce shrink of wasted product. Perforated design allows for constant air flow. Ideal for cooler shelves, center store shelves, or other applications. Constructed of lightweight black ABS.

Features and Benefits

- Reduce on shelf inventory while maintaining a full look.
- Reduce shrink.
- Keep product accessible to customers.
- Maintains airflow to keep refrigerated product fresh.
- Black ABS; clear color can be made to order.
