Magnetic SuperGrip® Sign Holder with Hinge

Sign placement and adjustment is fast and easy with the FFR-DSI's Magnetic SuperGrip® Sign Holder with Hinge. Sign holder attaches to metal base with a strong permanent adhesive. Powerful magnets securely hold Sign Holder to fixture signage securely. Features an integrated hinge that flexes when bumped to withstand customer interaction. Ideal for freezer cases, deli counters, gondola ends, warehouse uprights, metal displays and any other location that requires frequent signing and resigning.

Sign & Literature Holders ■ Magnetic SuperGrip® Sign Holder with Hinge

Features and Benefits

- For use on freezer cases, deli counters, gondolas, or warehouse uprights.
- Allows you to add signs in the flag or upright position by attaching securely to most metal surfaces.
- SuperGrip® technology provides superior holding power.
- Holds materials up to .100" thick.
- Clear PVC with metal magnetic base.
- Available in standard or heavy-duty magnetic strength for extra holding power.
