Magnetic Under-Shelf Mount Sign Holder with Swivel

Sign placement and adjustment is fast and easy with FFR-DSI's Magnetic Under-Shelf Mount Sign Holder with Swivel. Powerful magnet securely holds Sign Holder to most metal surfaces. SuperGrip® Sign Holder features an integrated hinge that flexes when bumped to withstand customer interaction. Ideal for metal shelving that requires frequent signing and resigning.

Features and Benefits

- Heavy-duty magnet allows for use under perforated and non-perforated metal shelves and provides superior holding power.
- Allows you to add signs in the flag position by attaching securely to most metal surfaces.
- Hinge allows signs to flex when bumped.
- SuperGrip® technology provides superior holding power.
- Holds materials up to .100", or .100"-.250" thick.
